Subject: Gifts

While in China, I received 2 gifts.

One is a silk scroll of the Yellow Crane Tower from Mayor of Wuhan. I will deliver that to City Hall.

The other was a gift from the hotel - it's a strand of pearls. Value over here I was told is about \$10. Not sure how I return it since it comes with every room. I was told to leave it behind would be major insult to Chinese. Should I give it to Mayor's wife on behalf of the City?
